Testimony in support of S.B. No. 184 & H.B. No. 5262

Hearing: Friday, March 4, 2022 at 10am

My name is Amanda Cordano and I am a voter from Ridgefield CT. I am a dedicated voter and passing both S.B. 184 (Raised) and H.B. 5262 (Raised) is extremely important to me because we do not know if there are more variants in our future, making it unsafe to vote in person. Let's get ahead of the curve and pass this now.

I believe voters should be able to vote this year by absentee ballot as COVID19 and its variants persist.

Please continue the COVID19 safety measures for 2022 and allow everyone who wants to avoid exposure to COVID19 and its variants to vote by absentee ballot.

Thank you,

Amanda Cordano
